The Medical Library is located on the ground floor of the F wing corridor between the visitor elevators and Radiation Oncology. The manager's office, librarian's office, Computer Room, and Audiovisual Room are located on the B wing. The library is open 8am-6pm, Monday through Thursday and 8am-5pm on Friday. The Medical Library is closed on Saturday's and Sunday's. After hours access to the library is available only for patient care emergencies with a security officer escort.

The Medical Library encourages students to utilize their school library's print and electronic resources in addition to the following:

Journal Collection

The Medical Library has over 400 medical, nursing, and allied health print journal titles in our collection, of which over 200 are active print subscriptions. The Journal Holdings List is available both in the library and on the library's web page at <http://www.stpeterslibrary.com/holdings.htm>. The Medical Library has a site license for the New England Journal of Medicine. To access the journal from a Saint Peter's computer, no log-in is required.

Photocopy Privileges

Students may request, from a Medical Library staff member, the medical student access code needed to make complimentary photocopies of library materials. The Medical Library charges ten cents for each personal copy that is made. The Medical Library enforces United States Copyright Office regulations. Only one photocopy of an individual article is permitted. Photocopying of entire books is prohibited. Please see the reverse side for the options for photocopying non-library materials

Library Card

Each student is assigned a library card number. The expiration date of the card is three business days before the end of the student's rotation at Saint Peter's. Circulating materials may be borrowed for a period of 4 weeks. Audiovisual materials may be borrowed for 2 weeks. Study materials may be borrowed for 1 week. A total of 10 items may be borrowed at one time. Materials may not be renewed for another borrowing period. When checking out material, the due date will never extend beyond the card's expiration date.

Interlibrary Loan Articles and Books

Students are currently not eligible to request interlibrary loan articles or books.

Literature Searches

Students are currently not eligible to request literature searches to be conducted by Medical Library staff.

Personal Book Orders

Personnel with borrowing privileges may purchase medical and allied health books from the following vendors: Elsevier Medical Publishers which includes WB Saunders, Mosby, Churchill Livingstone, Butterworth-Heinemann and Hanley & Belfus (20% discount) and Rittenhouse Book Distributors (10% discount). Neither vendor charges shipping or tax. Medical and allied health books, as well as other items, may also be purchased from BarnesandNoble.com and Amazon.com through the Medical Library. Depending on the item, shipping may be free and tax may not be charged. Visit <http://www.stpeterslibrary.com/bookordering.htm> for additional information.

Database Access

In addition to their school's respective databases, students may access Ebscohost, (a collection of online databases, including Biomedical Reference Collection™: Comprehensive, Health Business Fulltext Elite, Nursing & Allied Health Collection™: Comprehensive), MicroMedex, Pubmed (which includes both our library's and Drexel's print and electronic holdings), OVID (which includes CINAHL, Evidence Based

Medicine Reviews and MEDLINE), MD Consult, and UpToDate (Intranet version). Please visit <http://www.stpeterslibrary.com/database.htm> for additional information. Remote access to Saint Peter's databases is now available to students.

Computer Room/Internet Access

There are two computers in the Medical Library that provide access to Microsoft Access, Excel, Word, PowerPoint, and Publisher, Micromedex and the Internet. Links to Drexel email access and the DrexelOne webpage are available on both computers as well. These same resources are available in the Medical Library's computer room. Located in the B wing corridor (down the hallway from the Medical Library), the computer room door is unlocked between 8 am and 5 pm Monday through Friday. At all other times students may use the student computer room access code to gain entrance to the room. Printing is available free of charge from all of these computers.

Fax Machine

The Medical Library's fax machine is for Medical Library staff use only. Please see your department's coordinator (listed below) to send and/or receive a fax.

Information on Faxing and Photocopying Non-Library Material
